

COVID-19 REGULATIONS

Our live performance artform is a unified expression of joy that we share with our community. **For the safety of all**, Shadowbox Live has implemented the following protocols to help stop the spread of COVID-19. These protocols are enacted to follow the executive order issued by the City of Columbus on September 10, 2021, and are based on the advice of our nation's medical professionals, the Centers for Disease Control, and the World Health Organization:

AT THE DOOR

- Beginning **October 1st, 2021**, all Shadowbox live audience members will be **REQUIRED** to show **proof of COVID-19 vaccination or a negative COVID-19 test taken within the past 72 hours, along with a government-issued photo ID**. Audience members may also show pictures of these materials on their mobile device.
- Every Shadowbox Live audience member, staff member, and metaperformer is **required** to wear a cloth or medical-grade face mask upon entering the building, and while traveling through common areas (Box Office/Up Front, aisles, hallways, and restrooms).
- Masks may be removed while seated at your table.
- **Entry into the theater will be denied to anyone who does not wish to participate in this life saving, socially responsible act.**

IN OUR SPACE

- Barriers have been installed in our service areas outside the theater (will call, box office, and the bar).
- Interior doors have been equipped with hands-free door openers.
- Restrooms and frequent touch points will be cleaned before, during, and after every show.
- Hand sanitizing stations are available throughout common areas.
- The maximum number of patrons allowed in common areas has been reduced.

(continued on next page)

AT YOUR TABLE

- Seating is available at tables of 1 - 6 only.
- Separate groups will not be seated together.
- No table will be seated with more than 6 people.
- **Tables cannot be pushed together.**
- Social distancing guidelines are applied to available seating options
- Paperless playbills, menus, and audience feedback forms are accessible from any mobile device.
- Touchless payment options are available.

*We are fully committed to the execution and enforcement of the protocols listed above. **However, by purchasing a table, you acknowledge and assume the inherent risk of exposure to COVID-19 which applies to every space open to the public.***

As the nation's largest resident ensemble theater, Shadowbox Live stands with arts organizations and entertainment venues across Columbus, on Broadway, and throughout the country to help stop the spread of COVID-19.

The effects of the global pandemic have forced theaters to close and performers to leave their profession. Since the arrival of COVID-19, our industry has been saddled with the fear that we will lose a generation of artists and audiences to this pandemic.

More than a year later, that fear is becoming our reality.

These mandates are the necessary action we must take to retain our ability to remain open and keep our metaperformers employed. Simply put, the arts industry is in a state of emergency, and our livelihood depends on keeping our cast, crew, and patrons safe.

If you have any questions about our policies, contact us at info@shadowboxlive.org.

We thank you for your support of the performing arts. We can't wait to see you again.
